Future Pathways

Preparing Tomorrow's Workforce with Immersive Technology

RESOURCES

March 5th, 6th & 7th 2024

Work Window at Goolwa Secondary

As part of their Summer Jobs Program, Goolwa Secondary used the Work Window experience in their Lumination Learning Lab to prepare its student for future careers through job exploration.

Work Window allows students to take part in job shadowing and virtual work experience across a range of careers, including Carpentry, Firefighting, Fitting and Turning, Landscape Architecture and Water Engineering.
